British Emigration, 1603

That data may not be perfect, but it opens up a different perspective in terms of potential sources that is not really available for the early modern period. Alexander Murdoch, 'Scotland and the idea of Britain in the eighteenth century', in Tom M. The idea of Britain has been understood largely in terms of sectarian conflict and state formation, whereas emigration has most often been explored in terms of economic and social history.

British diaspora

Those employees had strict instructions not to alter any information from the lists unless the inspection process revealed an error. He offers similarly probing ideas about the transfer of class attitudes and the Americanization of the English emigrants, as well as the role of return migration.

Early Modern British Emigration 1603

Try checking the records of popular ports of departure. William Filby Gale Research Co. Alexander Murdoch, 'Lord Bute, James Stuart Mackenzie and the government of Scotland, 1750-1800', in Karl W.

Immigration, Emigration and Naturalization Research Resources

Mason of New Perspectives on the Politics and Culture of Early Modern Scotland Edinburgh, 1982 Articles and book chapters Alexander Murdoch, 'Two Scottish Documents Concerning Emigration to North Carolina in 1754', North Carolina Historical Review, Vol.

British diaspora

To obtain complete records prior to 1951, contact the Indiana State Archives. Attempts to measure the scale of emigration yield estimates that appear modest, although when considered in relation to the overall population in Britain and Ireland, contemporary concern at what appeared to be an escalating social problem becomes more understandable.

About our staff

Alexander Murdoch, 'Emigration from the Scottish Highlands to America in the eighteenth century', British Journal for Eighteenth-Century Studies, 21 1998. March 2015 In 2006, the IPPR , a British think tank, published a report on the British diaspora, entitled Brits Abroad. On an annual basis, emigration from Britain has stood at about 400,000 per year for the past 10 years.
