The Twenty-eighth Path is the Natural Intelligence, and is so called because through it is consummated and perfected the nature of every existent being under the orb of the Sun, in perfection. The Twenty-sixth Path is called the Renewing Intelligence, because the Holy God renews by it all the changing things which are renewed by the creation of the world. Happiness is reserved for the just, and misery for the wicked ones.

The Ten ineffable Sephiroth have ten vast regions bound unto them; boundless in origin and having no ending; an abyss 13 of good and of ill; measureless height and depth; boundless to the East and the West; boundless to the North and South; 14 and the Lord the only God, 15 the Faithful King rules all these from his holy seat, 16 for ever and ever. Babai më vuri para faktit të kryer, duke thënë se për prishjen e fejesës ishin të një mendjeje edhe ai, edhe Enver Hoxha, edhe krejt udhëheqja e Partisë.

The grouping of the processes of origin into an arrangement, at once alphabetic and numeral, is one only to be found in Semitic authors. The Kabalistic principles involved in the reversal of Hebrew letters, and their substitution by others, on definite schemes, should also be studied and borne in mind.

The three mothers are A, M, SH; and in the beginning as to the Macrocosm the Heavens were created from Fire; the Earth from primeval Water; and the Air was formed from the Spirit, which stands alone in the midst, and is the Mediator between them.

The Sepher Yetzirah

The Twenty-ninth Path is the Corporeal Intelligence, so called because it forms every body which is formed in all the worlds, and the reproduction

of them. The Twenty-second Path is the Faithful Intelligence, and is so called because by it spiritual virtues are increased, and all dwellers on earth are nearly under its shadow.

Sefer Gevul Yehudah : maarekhet sheelot u

From two letters, or forms He composed two dwellings; from three, six; from four, twenty-four; from five, one hundred and twenty; from six, seven hundred and twenty; from seven, five thousand and forty; and from thence their numbers increase in a manner beyond counting; and are incomprehensible. Some teachers of Occult Science also allot the Twenty-two Trumps of the Tarot Cards to the twenty-two Paths. The Twenty-second Path is the Faithful Intelligence, and is so called because by it spiritual virtues are increased, and all dwellers on earth are nearly under its shadow.

Sefer She'elot u

In two and thirty most occult and wonderful paths of wisdom did JAH the Lord of Hosts engrave his name: God of the armies of Israel, ever-living God, merciful and gracious, sublime, dwelling on high, who inhabiteth eternity. Më tha se edhe Vladimiri ashtu si ai mendonte.
