The Collaborator: The Trial and Execution of Robert Brasillach by Alice Kaplan

While it lionises the defenders, Brasillach does not shy from mentioning the execution of the Republican prisoners in Toledo's hospitals after the relief of the city and the Alcazar. It's specifically about one particularly pathetic fascist hot take monger in Third Republic and Vichy-era France, and how the French legal system responded to his collaboration with the Germans once Paris was liberated. Brasillach was executed for advocating , denunciation and incitement to murder.

Robert Brasillach

It has been argued that De Gaulle refused to spare Brasillach because the author had on numerous occasions called for 's execution. Jews were presented as ultimately responsible for the war, and likewise accused of falsifying history.

This petition was signed by many of the leading lights of the French literary world, including , , , , and.

The Collaborator: The Trial and Execution of Robert Brasillach by Alice Kaplan

This is an excellent work giving one a deeper understanding of the profound divisions created in French society by the German occupation. He married Suzanne, Brasillach's sister, in July 1934. Was he condemned for his denunciations of the resistance, or singled out as a suspected homosexual? Both signed the Vichy pledge of loyalty to Marshal Petain; family legend has it the prosecutor helped the Resistance, but we have no real way of knowing.

Killed for His Words

Nevertheless, in the depths of my heart, I repudiate three-quarters of what Vichy did. Bardèche spent only two or three weeks in jail in July 1954, then was granted amnesty by president.
