Now that our children are going into their classrooms and I am the parent, I want to do the same.

### Ensure Children's Wellbeing During COVID

It was like a part time job! Setting this up ahead of time will give you some piece of mind and one less item to worry about. But for the few holdouts,! For this end of the year survival kit for teachers, I wanted to put together a collection of some of my favorite things from when I was a teacher. Being on the PTO is one of the most rewarding things I have ever done in my life! Just say no to mugs and candles and say YES to the classroom supplies every teacher needs.
