Fallon, for example, argues that the Justices faced a trade-off between legal and moral legitimacy in *Bolling v.*

## The Warren Court: Its Impact and Importance

Wolf had run afoul of a state law, and the court decided that the exclusion rule didn't apply to states. Results from a survey experiment support our posited mechanism

## Chambers

Although discourse about constitutional controversies is an important element of public deliberation, the public discourse view in contrast to the public reason view, sees courts as structuring and safeguarding democratic procedures more generally. These calls initially came from scholars, but the idea has gained traction with a number of Democratic presidential candidates as well as former Attorney General Holder.

## 10 Overturned Supreme Court Cases

Likewise, the most senior justice in the dissenting group can assign a member of that group to write the dissenting opinion; however, any justice who disagrees with the majority may write a separate dissenting opinion.
