## The Making of a Mediterranean Emirate: Ifriqiya and Its Andalusis, 1200

However, even in the absence of accounting records comparable to the secret books of European merchants, it is still possible to infer a great deal about their strategies and schemes based on legal opinions and anecdotal information. The alliances they built were not long-lasting and, ultimately, their influence was never routinized.

Over the next four decades, the elites would succeed in banding together over Ifrīqiyyā. I discussed this with an excellent man. Historicizing the perspective of the sources, and thus showing their partiality, begins with the realization that their analysis of their societies was often inaccurate, limited, and misleading, although not necessarily self-consciously so.

### Fès et sainteté, de la fondation à l'avènement du Protectorat (808)

The résumés of the ulama offer concrete examples of this process, which connected intellectuals from widely different political and socioeconomic contexts.

The Zawāyā and the Limits of Regionalization Land grants and pious endowments allowed the sheikhs of zawāyā to become influential political leaders in the countryside. Activities required for luxury customs and conditions exist only in cities of a highly developed culture. Biographical dictionaries kept the names of thousands of such individuals, and conferred upon them and their families a place on the chessboard of history—however small the role they played.
