## Implementing the United Kingdom's ten

The Secretaries shall coordinate the conduct of, and may contract with the National Science Foundation, the National Aeronautics and Space Administration, the National Oceanic and Atmospheric Administration, the National Institute of Standards and Technology, and other suitable Federal agencies for, such scientific research and development as may be necessary or appropriate in support of the coordinated program and the comprehensive plan and in furtherance of the purposes and objectives of this Act. Map of the Ocean Action Plan focus area.

## The 13th Five

Because the resources available for the mainstream programs are so much greater than the resources available for the targeted homeless programs, HHS has actively pursued an approach of increasing access to mainstream services for persons experiencing homelessness.

## Sustainable Communities

It also provides important lessons for governments and policy makers in other countries seeking to reduce teenage pregnancy rates.

## Text of H.R. 1608 (101st): National Nutrition Monitoring and Related Research Act of 1990 (Passed Congress version)

The Sexwise helpline continued to provide confidential advice and referrals to local services, with half of the calls received being from boys and young men. In FY 2005, NIH is supporting more than 65 investigator-initiated studies with a primary focus on homelessness.

## Text of H.R. 1608 (101st): National Nutrition Monitoring and Related Research Act of 1990 (Passed Congress version)

The Work Group has developed an activities tracking matrix, which allows agencies to chart homeless-related activities under the specific goals and strategies outlined in the Plan noted above.

## Five

Government Response to the 3 rd Annual Report of the Teenage Pregnancy Independent Advisory Group.

## **Implementing the United Kingdom's ten**

Interagency Council on Homelessness to advance the goals outlined in the strategic action plan.

### **[USC02] 7 USC Ch. 84: NATIONAL NUTRITION MONITORING AND RELATED RESEARCH**

London: Department of Health; 2001. Where feasible and appropriate in HHS programs, identify ways to mitigate the long-term impact of homelessness as a result of disasters.
