INCO LTD

The Company has recently been relying, and expects that it will continue to rely on an increasing basis, upon the availability of purchased intermediates to maintain its Manitobas nickel production at around the 45,000 tonne annual level in 2004. The book covers the potential of DIY manufacturing and recycling projects and even how to score deeply discounted big-ticket items, including housing and electricity.

Debates (Hansard)

The freedom of choice to open retail outlets on Sundays is not a luxury but a necessity.

Inco Case Study (Background Reading): The End of Monopoly:A New World Order for Inco (Part 2 of 3)

Geotechnical data derived from core holes drilled in the pit walls were used to design the open pit to mine this zone. The value of the Canadian dollar, we know, is out of line, and works against Canadians. The terms and conditions of the Transaction are more fully set forth in the Offer Documents.
