## Repeal the Second Amendment

And Justice Scalia is indeed a great stylist.

## Why Does the Philippines Need the K

If more people had guns, there would be less crimes. Then, on November 8 th, we were prompted to go to our local office and cast our vote for the one person we thought would be best suited for American President.

## The Case Against the Death Penalty

Such descriptions cover just about everyone on the right. Education needs a makeover, and if you expect significant changes to come from government you are going to be let down. To build a world without prisons is to disrupt a society built on inequity, patriarchal violence and colonisation.

## The Abolish ICE Movement Explained

I detest doing anything to give any more subjective discretionary authority to police or anything that would equate to more intrusive bullshit. Except for treason, the idea of federal crimes was not even mentioned in the Constitution.

## NY Daily News

Although approximately 49% of all homicide victims are white, 77% of capital homicide cases since 1976 have involved a white victim. The relevant question is whether or not they are fit to drive.
