### Be stunned by the beauty of the Sainte

Institut Giacometti-Paris-the table in the studio Such a close and intimate relationship with the artist is really unique and is part of what makes the Institute a must-visit! Unique jewellery, everlasting flowers in subtle colours, theatre sets, puppets and antique dolls, restoration of paintings, tapestry, contemporary furniture, art objects, painting on porcelain, lights, bronzes ... all on a pleasant musical note of flutes and cellos. ## A Brief History of Paris's Notre

Little more than the foundation had been completed by the time of his marriage to the Austrian archduchess in 1810, so, in honour of her ceremonial entry into Paris, a full-scale depiction of the completed design, created from wood and painted canvas, was erected at the site.
