**REWIRING THE SOUL with
 Gabriella Kortsch, Ph.D.: Carl Jung X:
 Wisdom of the Dream Part 9**

In Toas, Jung was immensely impressed by a Pueblo elder named Mountain Lake, whose granddaughter is interviewed - as is Jung's grandson, who followed his grandfather's journey to New Mexico sixty years later in 1963. It was thought provoking and really well done.

Pearls of Wisdom: Dreams, the Shadow, Carl Jung and the 12 Rules for Success, Peace and Joy

Over time, he realized that when he managed to translate his emotions into images, he was inwardly calmed and reassured. To date, i still would not sure what this meant and would like comments to explain to me why i dreamt this and why did this happen to me.

Jung's Theory of Dreams: A Reappraisal

On every continent groups still exist that consult dreams to foretell the future or connect with the Divine. In many cases these additions are by people who knew Jung personally. Cant make love until the snake issue is resolved.

Carl Jung: The Wisdom of The Dream

For about a couple of years, I even wrote them down. Last time, it was a very black one. I stood helpless before an alien world; everything in it seemed difficult and incomprehensible.

Carl Jung: The Wisdom of The Dream

Compensation The primary function of dreaming, according to Jung, is psychological compensation.

Pearls of Wisdom: Dreams, the Shadow, Carl Jung and the 12 Rules for Success, Peace and Joy

Jung Society of the Triangle Area relies on support from interested individuals and the community for the annual programming, mailing, and associated costs of six to ten events per year. I would love to see more of this material and your writings in your magazine. Also of interest is that I was chilled in my dream and in bed....

Book Review: Jung

Carl Jung tells us about his collaboration with Sigmund Freud, about the insights he gained from listening to his patients' dreams, and about the fascinating turns his own life has taken. The E-mail message field is required. When the waking ego becomes too one-sided, or if it tries to repress a part of the unconscious, dreams will emerge to highlight the imbalance and guide the individual back on a path towards becoming a more integrated self.
