## “SAY WHAT YOU MEAN, AND MEAN WHAT YOU SAY”

Going beyond the surface level of communication, he describes our relational journey together in its inherent connections with how we behave, how we express, perceive, and meet the needs of ourselves and others, how we engage with difference and even conflict, how we negotiate love and anger—in sum, how to fully live this complex life.

### Reduce Stigma: Say What You Mean, Mean What You Say

Parents are often not good at the communication process so they may shade the truth, become overly or overly passive, and neglect to model good communication in their behavior.

### Queen Naija

In conversation with one another we are taught to act in a very different way.

### Mean What You Say, Say What You Mean, but don't say it mean...Applied to family recovery.

Think about this beautiful twist of spiritual principles at play in this material world: what is good to do is good for you. The structure of effective communication is summarized through the principles of leading with presence, coming from a place of curiosity and care and focusing on what really matters.

### Alice in Wonderland quotes

I absolutely love this saying.

### Say What You Mean; Mean What You Pray

The techniques in Say What You Mean will help you to: · Feel confident during conversation · Stay focused on what really matters in an interaction · Listen for the authentic concerns behind what others say · Reduce anxiety before and during difficult conversations · Find nourishment in day-to-day interactions OREN JAY SOFER leads retreats and workshops on mindful communication around the United States. It lets people know that you are a straight shooter who tells it like it is and delivers on your commitments.
