**The English sportsman in the western prairies : Berkeley, Grantley F. (Grantley Fitzhardinge), 1800**

Deadly competition finally forced the merger of the HBC and the NWC in 1821.

## History of Settlement in the Canadian Prairies

Their influx placed great strains upon prairie institutions during the next few decades. Some grew large cattle ranches, others rented property to tenant farmers.

## The English sportsman in the western prairies /

This was a really fascinating read, an insight into an otherwise familiar era of American history from a truly unusual angle. VAT at the current rate of 20% will be added to the Buyer's Premium and charges excluding Artists Resale Right.

## Prairie Fever: British Aristocrats in the American West 1830

The items include hunted and camel remains and human-made projectile points. Loess is an easily eroded material, resulting in few lakes and wetlands in the inner coteau area. Improvements in — ranging from larger equipment to , herbicides and new plant strains — increased productivity and reduced the size of the rural work force.

## Prairie Fever: British Aristocrats in the American West 1830

Well researched, full of interesting stories and first hand accounts. A fun book about the British aristocrats who headed out West in the 19th Century. But the story well underscores the uneven relationship that Americans and the British have had over the years.

## The English Sportsman in the Western Prairies : 1800

I also loved the chapter about Buffalo Bill's Wild West Show that came to England and I kept chuckling picturing Queen Victoria watching that show! The one real complaint about this book is that both maps resolutely locate Boise on the border of Idaho and Oregon, when I am quite sure

that it is 50 miles east of that. Fort Gibson is in Oklahoma, not Kansas.

### **The English sportsman in the western prairies /**

But to exaggerate a bit, England could defeat America so England's most wealthy citizens set out to buy America. By 1890, the British aristocracy had had enough of the America west, and had decided that America was best left to the Americans.

### **Bonhams : SHOOTING AND SPORT HAWKER (PETER) Instructions to Young Sportsmen, 1833**

I had never heard of these stories and found them fascinating to read about this part of hidden American history. There have always been close links between the Old and New World, not least the 'special relationship' of today. The British aristocracy judged land in America to be a sterling investment.
