### Paolo Sarpi — Wikipédia

By the next year in 1610, the Netherlands had been brought under political alliance with Satanic Sarpi, the Bank of Amsterdam dictated public policy, and the Netherlands grew to the greatest financial empire of trade that ever existed up until that time. The senate willingly accepted this advice and Fra Paolo presented the case to Paul V, urging from history that the Pope's claim to intermeddle in civil matters was a usurpation; and that in these matters the Republic of Venice recognized no authority but that of God. Ayant été, en, blessé par des assassins au , il fut traité aux frais de l'État.
