I guess I should start packing. The wind or air currents can also make some items fly around without control, such as pieces of paper. Fly also means to travel in a vehicle that can move through the air.

Fly Definition & Meaning

Fly has many other senses as a verb and a noun. If the countless expenses of a trip — flight tickets, accommodation, and commute — are holding you back from taking that much-needed break, Fly is here to banish your worries for good! If you want cheap airfare for business travel or vacation to your favorite destination Fly. As a noun, fly is used generally to refer to small winged insects.
