You only need to email your thesis or dissertation to us when you are ready..

## FAQ for Dissertation & Thesis Writers

Graduate Students should assume that anything produced by someone other than themselves is protected by copyright unless they determine otherwise. Open access also builds collegiality and helps other researchers in your field, potentially expanding your own network. Cao said the missing thesis was unsettling, but the fact it had not been resubmitted by Tsai was even more baffling.

## UDTS: The Process

At this point you may be prompted to log back into your account to schedule the retrieval date and once you do that you should see the request listed in your account. You will then be able to add the request to your account. Once permission is received, the reproduction order can be processed.

## Master's Essays & Dissertations

If you have any questions or concerns about this process, including whether you have the right to release the work of a family member, please do not hesitate to contact the University Libraries at the information below. However: do not contact the Provost's office directly to inquire about limiting campus-only viewing.

## Tsai Ing

Please contact Sally with any questions regarding Final Submission procedures:. An embargo would delay the release of the full-text.
