If you like Karen Kingsbury or Nicholas Sparks, this is an author you'll love. This book had me full-on crying laughing emoji-

ing it from page 1. Academic Council on the United Nations System LACUNA Vienna Liaison Office.

This by far is a book, by an author that I just adore, that I do not think can ever be topped. Poorer families spend years saving money and buying oprema in order to get their daughter s married.

Congrats

Some of the Turkish dowry remains with the couple after marriage, other is specifically meant for the groom's family and relatives. In the sun he has set his tabernacle; and he comes forth as a bridegroom out of his chamber: he will exult as a giant to run his course.

The Convenient Groom: A Nantucket Love... book by Denise Hunter

Spain's laws gave brides the right to control their dowry after marriage, contrary to the usual European practice of transferring the dowry to the control of the groom and his family. What I appreciated were 1 the good character development; 2 a strong theme of unconditional love and acceptance--without being preachy or heavy-handed about it; 3 beautifully-crafted sentences Denise Hunter is a GREAT WRITER ; and 4 unexpected irony, which amused me.
