While renowned historian MGS Narayanan fully agree with Muhammed, Left centric historians like Dr KN Panikkar dubbed the arguments raised by the author as baseless and aimed at giving leverage to the BJP which is making all out efforts to open an account in Kerala assembly in the upcoming election. Called the Mevlid-I Halil Magarasi, the entrance was through the courtyard of a large and impressive mosque with the same name. He set up class distinctions, divided people into groups and tribes, and set them against one another.

Overall, Urfa was the most interesting place that we visited in Turkey. The allegation made by Dr KK Muhammed, former Regional Director North of Archaeological Survey of India, in his autobiography titled Njan Enna Bharatiyan I an Indian in Malayalam also claim that remains of a Hindu temple were found during the excavation made by a team of archaeologists headed by Professor BB Lal, then director general of the Archaeological Survey of India during 1976-77, in which he was also a member. Babri Masjid assumed a sinister character in the background of the opportunist politics played by the former Prime Minister Rajiv Gandhi in the Shah Bano case.
