## Hmong

The Hmong did not have an alphabet or writing. Volcanoes erupt in this region frequently, and many of the islands in this region were actually formed from a variety of historic volcanic eruptions. It accentuates the positive focusing not on controversy, but on areas of common interest from which multilateral cooperation can be developed.

## **Here Is Your Essay on Southeast Asia**

Almost in the middle of Cambodia is a large freshwater lake, the Tonle Sap. .

## **Here Is Your Essay on Southeast Asia**
