## Themes, Motifs, and Symbols in The Tragedy of Richard III

The classifications of certain Shakespeare plays are still debated among scholars. What's more, the imaginary blood also shows how Macbeth and Lady Macbeth both lose a grasp on reality. Leading motives in the histories; 13.

### Major Symbols and Motifs

The principal characters are played by Irfan Khan, Tabu, Pankaj Kapur, Om Puri and Naseeruddin Shah. Did he even know that the potion might cause Juliet difficulty physically? It is tragic that both these people had to die.

### Hamlet's Motive

The inevitability of the theme fate is also an added factor to the tragedy of the play. Princeton, New Jersey: Princeton University Press, 1987.

### Motive

Having fallen in love at first sight, Romeo Montague and Juliet Capulet set the stage for the greatest love story in history. Octavius then orders Brutus be buried honorably, for he was the noblest of all Romans.

### Macbeth: Critical Essays

These series of events were not mere coincidences but rather a sign of fate helping the events lead to the inevitable and unavoidable deaths. Capulet rushes ahead the marriage date, insisting Juliet wed Paris a day early, and thus forcing her into swift and, ultimately, fatal action which lead to her death. This added to the tragedy of the play because both Romeo and Juliet were growing up and their relationship was growing stronger and deeper and this is shown by the extent they went to be together and their rash decision to get married proved how desperate they were to be

as one.

## Motive

Aufidius felt like Coriolanus betrayed him in the end; thus he has Coriolanus killed.

## 7 Leadership Lessons From Shakespeare

### Symbolism in Act One of Shakespeare's Hamlet

It is this weakness that ultimately results in their downfall. But almost surpassing the importance of physical blood is the imagined blood found throughout the play.
