## Yellow River Civilization

Their main defensive and offensive weapon was probably the bow and arrow. Then the Song government moved and reestablished the capital in Hangzhou, establishing the Southern Song Dynasty 1127—1279.

## Chinese Civilization in the Making, 1766

After the Three Kingdoms Period came , which then conquered most of China 265 —420. Cities started to appear and became larger. This dominated the fighting factions and seized the power, turning it into a centralized territory.

## The Great Transition in the Making: the Eastern Zhou

He tried his best to elevate the administrative procedures rather than bringing degradation in it. It could not be restored to its former glory as imperial China's strength waned.

## **Ancient Chinese Civilization: Origins, Dynasties, History, Culture, Religion**

He lived in small communities and undoubtedly acquired a considerable knowledge of the roots and the leaves of the field, fishing, and wild animals running through the Plains.

### **Yellow River Civilization**

Both education and knowledge are unnecessary for men. He served the people and was admired by them.

### **The Great Transition in the Making: the Eastern Zhou**

From thousands of years ago, the people and their styles from different eras have expressed their great beauty. However, it was believed that if emperors ruled badly or unjustly, their dynasty was liable to lose this mandate. Unnatural or artificial life is a hindrance on the path of progress of a man.
