And notwithstanding the Knight at his landing there found the Lord Governour to bee gone, whereof he wrote us home most dolefull letters, as also of the fewnesse, idlenessse and weake estate wherein hee found the Colony: yet decyphered he the country in divers of his letters with admirable praise, giving us notice of his proceeding to fortifie, to build, to plant, and that the health of our men was now recovered by setting them to labour, assuring the adventurers so long as he remained there, their ships should never returme emptie; his words are these: The words of Sir Thomas Dales letter to the Committies. No: for I haue tried them both.

Tracts and other papers, relating principally to the origin, settlement, and progress of the Colonies in North America, from the discovery of the country to the year 1776. Vol. 1

There were many Mulberrie trees and Plum trees, which bare red plums like those of Spaine, and other gray, somewhat differing, but farre better. He must haue a speciall care that he sleepe not vpon his Centinell, nor set his armes out of his hands: for therein he maketh himselfe subiect for any passenger by to take away his life, beside the generall inconuenience that may come vpon the Camp, Towne or Fort.

Peter Force

It took several generations to return to a level of prosperity that had been achieved by 1676 Webb 1984:xv-xviii, 3-7.

Tracts and other papers relating principally to the origin, settlement, and progress of the colonies in North America from the discovery of the country to the year 1776. Collected by Peter Force. Vol. 3: a machine

Don Ferdinando de Soto was very desirous to haue him with him, and made him a fauourable offer: and after they were agreed, because Soto gaue him not a summe of money which he demanded to buy a ship, they broke off againe.
