Freud, Jung and Hall the King-Maker.

Ego death

He rejected the Freudian art criticism for reducing complex works of art to fantasies of their creators, stressing the danger of simplifying literature to causes found outside of the actual work. New York: Viking Press, 1971, p. John Myrdhin Reynolds, has disputed Leary and Jung's use of the Evans-Wentz's translation of the Tibetan Book of the Dead, arguing that it introduces a number of misunderstandings about.

Carl Jung's Exploration of Chakras and Kundalini

In 1916 I underwent an analysis with a doctor friend of mine who was in part a pupil of Jung's.

Ego death

Jung realised that in order to stimulate the activity of Swadistana, the Kundalini itself had to be aroused, but he also realised that such cannot be forced i. On the contrary, it is in the highest degree influenced by inherited presuppositions, quite apart from the unavoidable influences exerted upon it by the environment.
