[PDF] Empowerment Series Generalist Practice With Organizations And Co

They also prompt you to think critically about how macro systems affect human behavior, and ultimately, how those systems shape the practice of social work. The book challenges you to think critically about how macro systems affect human behavior and ultimately, the practice of social work. The text continues to emphasize the connections between working for change in organizations and communities and the skills used in other generalist practice courses.

Macro Skills Workbook : Karen Kirst

Specific macro practice skills are presented in a straightforward manner, and both applications to actual macro practice situations and the importance of client system strengths are emphasized throughout.
