This is easily the most famous piece of Japanese art.

## HOW THE AMERICAS CHANGE, 1750

From September 2017, she will join the Department of English and Drama, Queen Mary College, University of London. Her major publications include Ayahs, Lascars and Princes: Indians in Britain, 1700—1947 Pluto, 1986 , reissued by Routledge in 2016, and Asians in Britain: 400 Years of History Pluto, 2002. Worksheets, linked to Level Descriptors in the four core units, can also be used for exams, end-of-unit and ongoing assessment.

**Re**

It all started when there was territory expansion as countries in Europe started colonies in the Americas.

## Hodder History: New Worlds for Old, Britain 1750

Families returning to Britain often brought ayahs with them to take care of the children on the long sea voyage. Fuji is the focal point of much of Japanese art.
