The Bubble, Drop, Particle Unit on spacelab LMS, nominal and troubleshooting operations

. Several technical problems were encountered, necessitating troubleshooting in orbit of BDPU subsystems.

Spacelab, 1983

This paper presents the Spacelab LMS and the European participation Section 1 , the BDPU and the fluid physics experiments Section 2 , the pre-mission operations Section 3 and the mission ground and flight operations, giving a day-by-day account of all BDPU related operations Section 4 , including the successful troubleshooting of the BDPU —15 V power line.

Spacelab 1983

All experiments were eventually successfully conducted. BDPU experiments were operated from NASA-MSFC and from other remote sites in Europe.
