Gareth S. Hill

. Do you know where I might read a good explanation of this? Later chapters on clinical supervision and an integrated model for depth psychology are aimed at the clinician. We are, indeed on the edge of a tidal wave of change about these concepts and their contribution to psychological and spiritual maturity in the form of expanded self-knowledge and consciousness.

Masculine and Feminine: The Natural Flow of Opposites in the Psyche by Gareth S. Hill

I've noticed that when you study these concepts you need both a logical explanation and a living example.

Masculine and Feminine: The Natural Flow of Opposites in the Psyche by Gareth S. Hill

His appealing alternative is an open-hearted fluency that knows how to use the various gender possibilities as so many guidelines past which to grow to a wider wholeness.

If one becomes fixated on one of the archetypes, problems ranging from passive aggression to psychoses can result.

Gareth S. Hill

Integrates Jungian and non-Jungian approaches in a critical and very useful way.
