Language and solitude : Wittgenstein, Malinowski, and the Habsburg dilemma in SearchWorks catalog

Malinowski, the founder of modern British social anthropology, is usually credited with being the inventor of ethnographic fieldwork, a fundamental research method throughout the social sciences. Gellner's thesis is that there is a dichotomy between left and right; and also between rationalists and romanticists - which cuts across left and right - there are rightwing rationalists and romanticists and leftwing ditto and

This relative ignorance has become part of his legend: rather than be burdened by what everyone else had to say on the subject, he was able to cut directly to the actual problems of philosophy.

Language And Solitude Wittgenstein Malinowski And The Habsburg Dilemma 1998

Yet none of this lessens the joy of this tale of two intellects, and the way they reflected the prevailing climate of late Habsburg culture in their error and triumph.

Language and solitude : Wittgenstein, Malinowski, and the Habsburg dilemma in SearchWorks catalog

Despite the fact that it is really an unfinished manuscript, each morsel is so apportioned as to make it easy to digest and ponder on. The central proposition of the Tractatus: world without culture.
