### Pope Francis appoints more women to Vatican posts previously held only by men

On March 10, 2010, at a ceremony in the Capitol, the WASPS received the Congressional Gold Medal, one of the highest civilian honors.

### Jobs report shows 140,000 jobs were lost in December. All of them were held by women

But there is a resoluteness, too.

### International Women's Day

This Day is a reminder that women and girls play a critical role in science and technology communities and that their participation should be strengthened. In turn, this affects the education and health of their children, as well as their ability to earn a living. These include stipends to improve primary and secondary school completion for girls and young women, skills development programs, gender-inclusive and responsive teaching and learning, recruitment and training of female teachers, and building safe and inclusive schools for girls and young women.

### History At a Glance: Women in World War II

Below you will find data-driven infographics, the full set of figures and tables in the report and all annexes.
