In a globalized economy, success for leaders in the future will rest on their ability to shift to a multicultural approach. Gives lots of insight to white American culture, and explains Latino, Native American, and African American leadership methods derived from their cultures. Latinos were not recognized as a group by the U.

Salsa, Soul, and Spirit: Leadership for a Multicultural Age by Juana Bordas, Paperback

To build a multicultural nation, we must peer through a different glass.

Salsa, Soul, and Spirit Leadership for a Multicultural Age

A central facet of Protestantism was that the individual did not need an intermediary such as a priest, a saint, or even Santa Maria—the Holy Mother of God—to communicate or have direct contact with God. Latinos also take flowers and food to family burial plots, and thus the roots of the past are affirmed and strengthened.

Salsa, Soul, and Spirit: Leadership for a Multicultural Age by Juana Bordas, Paperback

Yet the vestiges of the past and the inequities that existed for centuries continue to impede inclusiveness and equity. After the Indians were rounded up and confined to reservations, Christian ministers baptized them and banned many of their religious practices.

Salsa, Soul, and Spirit (EasyRead Large... book by Juana Bordas

The 2010 census revealed that in four decades minorities will constitute over 50 percent of the population? My vivid child's imagination saw covered wagons forging across the rugged plains to settle the wild, wild West. Sankofa invites us to bring forward the meaningful and useful—

including the values and spiritual traditions passed from previous generations—to learn from experience and to avoid the dead ends and pitfalls of history. In 2002 she debuted the Circle of Latina Leadership, which runs a nine-month community leadership development course and personal mentoring program for women aged 25 to 40.

Juana Bordas

The multicultural leadership model developed in this book offers a more flexible and inclusive way to lead and a new vision of the role of the leader in organizations and in our increasingly multicultural world. Political theorist and influential thinker Thomas Hobbes capped this off by espousing that the fundamental motivation of human nature was selfishness—a perpetual struggle for individual advantage, power, and gain.

inSpirit: UUA Bookstore and Gift Shop: Salsa, Soul, and Spirit

. The first Thanksgiving was a wondrous feast with helpful Indians serving up hearty portions of squash and corn. The book starts with a very enlightening cultural history of colonization and what has led to our modern white supremacy, which is infused in government and corporate leadership structures.
