What the urn depicts is not allied to slow time; it is removed from time altogether. The brash skier had movie-star looks and a personality to match.

## Assignments

What is the point of his rule of proportion A is to B as C is to D? Find three other lines that are particularly difficult to work out grammatically and comment on their place in the poem? It is telling that Carew wrote poems in honor of both and found NA 1769-73, but not assigned for this class. Is she the teacher in the poem or an external observer? Freely browse and use OCW materials at your own pace.

## Campion, Jonson [and] Herrick. (Audiobook on LP, 1966) [tech.radiozamaneh.com]

Drummond reports that during their conversation, Jonson scoffed at two apparent absurdities in Shakespeare's plays: a nonsensical line in Julius Caesar, and the setting of The Winter's Tale on the non-existent seacoast of Bohemia. Why is the sun our sun? In his time Jonson was at least as influential as Donne.

Is this the case here? How do the nuns and mothers complement each other in the poem? Why should a poem be puzzling? However, it is now impossible to tell how much personal communication they had, and tales of their friendship cannot be substantiated. Which of Donne's poems do they most closely resemble? All his life, it seemed Johnson craved speed — the faster, the better.
