Difference between Gliding and Soaring

Conveniently located at the Franconia Airport just two hours North of Boston in the picturesque White Mountains of New Hampshire.

Glider

When Jesus gave the final instructions to His closest disciples, He let them know the plan going forward and the purpose behind the plan. They do this by just extending their wings and allowing the air current to carry them. The best combination brings the longest flight, the highest altitude gain, or the fastest speed in a contest.
