## Volpone by Ben Jonson

This fucus was too course too, it's no matter.

## Volpone; Or, the Fox, by Ben Jonson

CORB: It is true, they kill, With as much license as a judge. MOS: Sir, Scoto himself could hardly have distinguish'd! VOLT: Yes, I shall sir. The order of a list of Elizabethan players was generally that of their importance or priority as shareholders in the company and seldom if ever corresponded to the list of characters.

## Portrayal of Women in Jonson's Volpone

I do love To note and to observe: though I live out, Free from the active torrent, yet I'd mark The currents and the passages of things, For mine own private use; and know the ebbs, And flows of state.
