## Israel's settlement policy in the occupied Palestinian territory

These restrictions on movement placed over Gaza are also addressed in more detail below. Christians constitute about 1—2% of population of Palestinian territories. During the stay in the security belt, the IDF held many positions and supported the SLA.

## New ICC ruling ‘opens the door’ for justice in occupied Palestine

The OPT suffers from a lack of employment injury and healthcare benefits as well as unemployment and maternity insurance. Palestinian territories Main articles: and Background Both of these territories were part of , and both have populations consisting primarily of , including significant numbers of who from Israel and territory Israel controlled after the .

## COVID

For example, Ma'ale Adummin is built on land taken from the Palestinian communities of Abu Dis, Al-Eizariya, At-Tur, Issawiyyeh, Khan Al-Ahmar, Anata, and Nebi Musa. When the Wall is completed 9. The route inside the West Bank severs communities, people's access to services, livelihoods and religious and cultural amenities.

## Restricted Movement in the Occupied Palestinian Territory

It must be emphasized that, despite the terrible human suffering caused by the blockade, the situation in Gaza should not be viewed as a humanitarian crisis that can be resolved through the provision of international aid and assistance. This covered 94 per cent of the funds requested for the plan, meeting basic WASH needs for the most vulnerable people during the COVID-19 crisis.
