The sermon was in the same vein as his previous ones but it was the dedication to the printed version published on 27 October that particularly antagonised the Whigs: Now, when the principles and interests of our Church and constitution are so shamefully betrayed and run down, it can be no little comfort to all those who wish their welfare and security to see that, notwithstanding the secret malice and open violence they are persecuted with, there are still to be found such worthy patrons of both who dare own and defend them, as well against the rude and

presumptuous insults of the one side as the base, undermining treachery of the other, and who scorn to sit silently by and partake in the sins of these associated malignants. The church bells rang from five in the morning until eleven at night. He was visited at his lodgings in Peters Street by prominent Tories such as the , and.
