

Handbook of chemical compound data for process safety - comprehensive safety and health-related data for hydrocarbons and organic chemicals : selected data for inorganic chemicals

Gulf Pub. Co. - Guru Kimia: EBOOK Kimia Gratis

Description: -

-
Fiction - Mystery/ Detective
Mystery & Detective - General
Calligraphy.
Calligraphy -- Juvenile literature.
Chemicals -- Safety measures. Handbook of chemical compound data for process safety - comprehensive safety and health-related data for hydrocarbons and organic chemicals : selected data for inorganic chemicals

-
Library of physico-chemical property dataHandbook of chemical compound data for process safety - comprehensive safety and health-related data for hydrocarbons and organic chemicals : selected data for inorganic chemicals

Notes: Includes bibliographical references.
This edition was published in 1997

Filesize: 18.21 MB

Tags: #Chemical #Properties #Handbook: #Physical, #Thermodynamics, #Environmental #Transport, #Safety #& #Health #Related #Properties #for #Organic #& #Inorganic #Chemical

The National Toxicology Program National Institutes of Health 228 24.

ThermoDex

With the help of examples, the book explains the construction and use of reference-substance plots, equilibrium diagrams, psychrometric charts,

steam tables and enthalpy composition diagrams. If not indicated otherwise, the term metal hydride is here also used as a collective name including all isotopes, that is, protides, deuterides, and tritides. Available in its traditional print format, the Handbook is also available as an innovative interactive product on DVD and online.

Process Safety Calculations

Generally, for target classes with known active chemotypes or with additional information on structure-ligand interactions, focused-libraries offer higher hit rates than diversity-based libraries.

Flash Point and Autoignition Temperatures

Join other major companies and start your LOPA efforts now by purchasing this book. The database indexes government reports as well as journal articles, conference proceedings, books, and other publications.
