Broadbent's passion and experience lie.

The Lost Vintage by Ann Mah

Nothing illustrates the comparison better or helps you understand why you would want to consult MB's notes more than a look at the ratings of the same wines presented by MB's Vintage Wines, the Wine Spectator, and the Wine Advocate. I discovered this book while reading an article about wines and found it really intriguing. First off, if you are an avid reader, love wine, and speak French you will love this book.

The New Great Vintage Wine Book by Michael Broadbent

Impulsively Hub I very much enjoyed Laurain's when I read it last year. The story switches narrators to Helene - a long lost relative that no one speaks of. The half-century of Michael Broadbent's wine trade experience has seen unprecedented change throughout the wine world.

Wines and Spirits Book from Foods of the World Time Life Books

I, as a reader, seem to bond much more easily to the first person in novels.

The New Great Vintage Wine Book: Broadbent, Michael: 9780679405061: tech.radiozamaneh.com: Books

So much for my reservations.

Michael Broadbent

Find out more in our Learn the joys of wines and the pleasures of spirits. I decided that I would try the book again as the synopsis had me very intrigued, this time I stayed with it until the end. Dust jacket quality is not guaranteed.
