The information from PESTEL and SWOT analyses should be used to set clear and realistic goals and objectives based on the strengths and weaknesses of the company. Through effective planning, the SRO also highlighted the need to dedicate specific functional resources to Tier 1 initiatives, while ongoing portfolio monitoring helped ensure those initiatives remained prioritized and sufficiently resourced.

The Office of Strategy Management

Strategic aspects of these areas are closely linked with strategic management. Tier 2 initiatives have strategic value and can be addressed after Tier 1 initiatives are completed. Points an organisation in a particular direction and charts a strategic path for it to follow.

The Role of Strategy in Management

It shows how a product moves from the stage of raw materials to the final customers. Achievement of Performance Goals : In non-business enterprises, managers also set goals to measure their performance.
