### Greece country profile

This profile is designed as an introduction to business culture in Greece only and a more detailed understanding needs a more in-depth exploration which we can provide through our training and consultancy services. He has long played a leading role in economic affairs, having served as head of the Bank of Greece from 1994 to 2002 and vice-president of the ECB from 2002 to 2010.

### Greece Country Profile

Sales tax is imposed regardless of whether the relevant transactions are conducted within or outside the trading venue. Under conditions, partial or full reductions of tax can be granted to individuals and tax deferral can be allowed for legal entities. The tax is also imposed on sales of shares listed on foreign stock exchanges or other internationally recognized stock exchange institutions, in those cases where the sellers are companies or individuals who are residents of Greece or are foreign companies with a permanent establishment in Greece.

### Greece

This presented its views on the national prioritisation of the SDGs, submitting a comprehensive set of proposals regarding effective SDG actions on key economic, social and environmental aspects of the SDGs at different levels and sectors i. Critics say that he should have been in a position to know of inaccuracies in Greece's budget figures in the run-up to joining the euro, a charge he has dismissed.
