**Bibliography. 2. Dictionaries of Americanisms. Mencken, H.L. 1921. The American Language**

Lowes Dickinson, in the English Review, quoted by Current Literature, April, 1910. A common vulgarism, which appears to be of foreign origin. Some time before this, but after the publication of Bartletts first edition in 1848, William C.

**Browse subject: English language**

A fellow-carpenter; in a more general sense, a person of the same trade. Called also simply a blue. Sometimes the game escapes, or the dog is deceived and barks up the wrong tree.

**American English dictionary LEXILOGOS**

Come, Molly, dear, no black-strap to-night, switchel or ginger pop.

**The American Language**

Among the early writers it was used the same as ask is now. The more general term Outside may be used for any part of US territory outside Alaska, such as Hawaii or Puerto Rico as well. The South has retained fully as many old English words and pronunciations as New England, and has originated some of the most expressive terms used in ordinary conversation, a number of which, by migration, have been domesticated in the West and on the Pacific coast.

**Dictionary of Americanisms, by John Russell Bartlett (1848)**

A female writer who has printed her compositions.
