Normandy landings

Troops of the 82nd Airborne began arriving around 02:30, with the primary objective of capturing two bridges over the

River and destroying two bridges over the Douve. Strong winds blew the landing craft east of their intended positions, particularly at Utah and Omaha.

Normandy landings

The initial draft of the plan was accepted at the in August 1943. D-Day marked the beginning of the end of German rule in France.

Normandy landings

Meanwhile, the pathfinders tasked with setting up radar beacons and lights for further paratroopers scheduled to begin arriving at 00:50 to clear the landing zone north of were blown off course and had to set up the navigation aids too far east. Ottawa: Department of National Defence.

D

By mid-1943 the had been won.

Home

Many landed in nearby swamps, with much loss of life. In the , Allied forces disabled the guns with plastic explosives at a cost of 75 casualties. Specifically, British and Canadian forces suffered around 3,700 casualties; and US forces suffered about 6,600 casualties.

Normandy landings

A memorial to the U. Is this really the beginning of the long-awaited liberation? Normandy '44: D-Day and the Epic 77-Day Battle for France.
