Yellow Wallpaper and Selected Writings

By spring, Charlotte was desperate for outside help and guidance. With the screaming of gulls and pounding of waves, her eyes inevitably rose from the delicate paper to the beach before her.

The Selected Letters of Charlotte Perkins Gilman by Charlotte Perkins Gilman

Both males and females would be totally economically independent in these living arrangements allowing for marriage to occur without either the male or the female's economic status having to change.

Her mother was not affectionate with her children. Only those near enough to watch the long, blank months of idleness, the endless hours of driveling solitaire, the black empty days and staring nights, know. Walking there with Martha, Charlotte once again confided her plans for the future -- only this time they focussed on her dream of a shared life with Walter.
