Christ

He is the author of the highly regarded books Radical Love: An Introduction to Queer Theology and From Sin to Amazing Grace: Discovering the Queer Christ, both from Seabury Books.

Marriage: developments in Catholic theology and ethics. (Notes On Moral Theology).

He takes aim at what he regards as rigid or punitive norms against divorce that fail to capture the experience of married couples, the nature of faith, or even past traditions and teachings of the Church. At the moment of regeneration He baptizes every believer into the Body of Christ. The words of Christ, What God has united, man must not divide Matthew 19:6 ,can be applied to this aspect of marriage too, as well as to divorce.

Theology of Marriage

Sexual relations properly understood are expressed in a context of love that is by nature self-emptying. There could be no message more relevant for Christian homes today.

The Pope's Theology of the Body

Well, as the captain of the Titanic sadly experienced, very little. Theological Reflection Based in Hymn Text Writing: A Workshop. God's work in Creation and Redemption is only a foreshadowing of the consummation of all things at the end of time.
