Supraventricular tachycardia complicating pneumonia in a resource

UCC representation constitutes a minority. It has an author index and subject index. In his Doctoral Dissertation on Geographical Literature on Nigeria, 1901-1970: a bibliometric analysis, Aiyepeku 1973 analyzed the output of Nigeria's geographical literature statistically in terms of distribution of literature output by subject, authorship, format of sources publishers, journals, periodicals and other characteristics.

64th IFLA General Conference

In theory and practice, most theses and dissertations are available only at libraries of universities that accepted them. The government must therefore establish a general telecommunications policy, enabled by law, as well as a specific policy on universal access, before a UAF can become operational.
