### Techniques & Tactics in Netball

Defending:Shadowing The purpose of defending is to try to get the ball off the other team so that the person get possession of the ball.

### Fitness tips: Netball drills to improve hand

· Or the wing attack will start running just to stop abruptly, appearing like he is going to cut back, but continuing to run in the direction he started running, to deceive the opponents, and meet the pass. Passing:Bounce pass A bounce pass is used over a short, medium distance. Plus, with plenty of match-play opportunities mixed into the drills! This game continued its journey, with those vague rules, until 1960s, when this game acquired proper rules and regulations.

### Netball Tactics

Furthermore, ASC camps cater to young and inexperienced players by grouping participants of the same ability level and age together. Otherwise, practice your shooting a lot and soon it will become second nature to you. Each team is allowed to request for more than two timeout intervals.

### Netball Rules

This can change the trajectory of your shot.
