uumasut allarluinnaat ujarangornerinik ujaasiartorluta, Arne T. Derfor anbringer vi ham sommetider i dententionen lige før lukketid, så han ikke kan nå at købe dagens ration af øl, inden der lukkes for slaget.

**Greenlandic is said to be the most difficult language to learn. Here is a beginn**

They claim that it is not actually the greenhouse effect that is warming the planet, but instead that it is a result of more natural fluctuations.

I konferencen i Nuuk deltog en lang række kredsdommere, domsmænd, bisiddere og andre med et nært kendskab til de enkelte kriminelle. The deeper meaning of this homology is not yet completely understood, although Lowe 1985a, 167 suggests that both the subordinate verb and the relative noun need, for their final interpretation, another word on which they depend syntactically.
