Harlan Ellison Webderland: Book Reviews

These were realms of potency so utterly beyond even the limbo creatures—such as my unicorn—so completely alien to even the intermediary zone wanderers—Lizette and myself—that we were as helpless and without understanding as those who live. The pulsing of the light, the wail of the winds, the night dying. Clean, square, binding tight, internally unmarked.

Deathbird stories (eBook, 2014) [tech.radiozamaneh.com]

Near Fine with no dust jacket. There were bums in the Square, sitting slouched on the benches, their arms out along the backs. He tried to tell her, but she had fainted.

Listen to Deathbird Stories Audiobook by Harlan Ellison and Luis Moreno

He warns you not to do that in the intro, but he's just goading you to do it. Some of my favorites included along with Harlan's taglines for each : The Whimper of Whipped Dogs - When the new god comes to the Big Apple, its Kyrie Eleison turns out to be a prayer Kitty Genovese simply couldn't sing. He was up on something.
