## Vichy France

This article includes a list of general , but it remains largely unverified because it lacks sufficient corresponding. This opened his eyes to the ambiguous nature of the Vichy government, and he went on to write a general book about Vichy. The United States gave Vichy full diplomatic recognition, and sent Admiral as ambassador.

## France

They were aided by the absence of popular, charismatic figures who might have opposed them, such as and , then aboard the ship Massilia on their way to North Africa and exile. Paul Reynaud, who had not officially resigned as Prime Minister, was arrested in September 1940 by the Vichy government and sentenced to life imprisonment in 1941 before the opening of the Riom Trial.

## Collaboration

As Paxton clearly illustrates, the Vichy government rarely if ever helped Jews and refugees and more often than not facilitated the extermination of Jews in France.

## Vichy's shame

Furthermore, the French police noted on this occasion, on each identity documents of the Jewish people, their registration as Jews. This must be the case in all branches of this discipline. We'd end up like the Pope, who apologises for the Crusades and the Inquisition.

## Collaboration

Washington at first granted Vichy full diplomatic recognition, sending Admiral as American ambassador. Some of the collaborators joined terrorist organizations during the Algerian War, while others escaped to other countries. New York: Penguin Books, 1994.

## **Start reading Vichy France and the Jews**

Eichmann: His Life and Crimes was published as *Becoming Eichmann: Rethinking the Life, Crimes, and Trial of a 'Desk Murderer'* in the United States and received a National Jewish Book Award in 2006.
