Tadhkīrat al

The whole universe exists through Him, and He alone can be said to exist in Himself.

Muhammad Metwally Al Shaarawy

In Ibn 'Imad, Shadharat al-Dhabab 5:200.

Fath Al

Sebagaimana Sun ni banyak juga aliran yang keliru, Syiah juga demikian, hingga membuat orang yang tidak jeli, keliru ketika mengambil kesimpulan. ومن شرط الامام ان يكون معموساً لمن لا يقع في الخطأ He believes that Imam al Mahdi is alive at this moment and is the final Imam.

Imām Abū Ja’far al

To Him belongs tremendous majesty, surpassing goodness, magnificent generosity! The Dhahabi of his time and the amir al-muminin of the hadith scholars. Kemudian sekali lagi bukalah mata lebar-lebar dan lihatlah ke Republik Islam Iran, apakah anda melihat fenomena di sana sama dengan di kawasan Arab dan Indonesia? That is ignorance and goes beyond the scope of sincere faithfulness nasiha claimed by the critic.

Muhammad Metwally Al Shaarawy

One handful stands under the Names of His adversity bala', and one stands under the Names of His favors ala'. Dapat dipastikan bahwa mesin yang baik akan menghasilkan gula yang putih bersih dan manis sekali.

Tadhkira al

Let them be five prayers every day and night, and let every prayer count as ten. The wise person must beware from such behavior! تم ، و الحمد لله! رب العالمين intinya, sunni{kita} mengakui adanya imam12.,

Muhammad Metwally Al Shaarawy

Dengan ilmu, ketelitian, dan kemampuan- Nya, Dia menjadikan segala sesuatu dengan bentuknya masing-masing, yang tidak lepas dari hikmah dan manfaat. Thus our argument is supported by a devout Shia as well.
