Landfalls

Dragons now have to be slain and surprising barriers passed — again, again, and again. Williams's ambitious and meticulous debut.

Landfalls — Bookish Santa

Laureli Ivanoff is a fish cutter, seal oil maker and columnist in her hometown of Unalakleet, a community at the heart of the Norton Sound. I find it harder and harder to tell them apart anymore, or at least not with sufficient clarity. The subtle references to fashion, social hierarchy, politics, and sexual attitudes made the life of the people of that time become vivid and real.

Landfalls by Naomi J. Williams: Summary and reviews

Because the progress of the expedition is always at the centre of the narrative, and because that expedition always felt so real and so alive. Old folks comment how the winter sky has faded into a dull blue smoke.

What 50 Years Of Global Hurricane Landfall Data Can Teach Us About Climate Change

As a first chapter it seemed odd, but I thought it would maybe lead into the story, or the character would be important later.

Naomi J. Williams (Author of Landfalls)

Powers at The Christian Science Monitor. It does take a while to get going — but the core feel of it will draw you in anyway — the author focuses on a selection of characters, not only those engaged in the voyage, but those they encounter and she weaves a stunningly evocative story that is engaging throughou Landfalls is a fictional account of a real historical journey — some beautifully vivid writing and in depth and cleverly drawn characters made for a really terrific read and something a little different for me — I do like different. Landfalls, however, is the rare book that excels in almost every area.

Landfalls

The research for the book was clearly beyond meticulous, and yet it is always woven naturally into the story. Regine Deforges: Confessions of O
— Conversations with Pauline Reage Viking Press 1979 5a.
